Men

Women

They are real people with hopes and dreams, just like you. You Wouldn't Like It If Someone Did It To YouHow would you feel if one of your besties started dating your ex. Tell me in the comments. Photo: Thinkstock Get Our Newsletter Your daily dose of the latest in fashion, beauty, and entertainment — delivered straight to your inbox. But as it stands, that's not possible. You would probably start wondering if they always felt this way about each other. They exist in a gray area. Before they started going out, she asked me if I would get mad and I told her I wouldn't. And don't worry, we keep it all anonymous. Well, the first thing you should do is learn from it. The reverse is also true; no matter how much you love discussing your dude with your besties, his ex can probably live without hearing the details of his current sex life. You may have lost this guy but, if you learn from the experience, you'll move on to having a much better, and more mature, relationship with the next guy. She is playing by the rules and you are being a sore loser. This rule is almost never stated or enforced among queer communities. We respect our friendships. If you thought that the "breakup" would only be temporary, then that's your biggest mistake. But don't assume she doesn't want an invite if you haven't asked! In fact, when we met, my now-partner was on a date with my best friend. Maybe it's in order to stay close to someone that doesn't want to be close to you anymore — no, that doesn't sound like stalking at all ha! You've been trying to control the situation by dropping hints and manipulating, hoping that people will react the way you want them to and that you'll get your way without ever having to come out and ask for it. You might get really jealous of the two of them talking at all.
